tiny titans

So remember that DC Nation where I said the only thing I don't do is edit books? Well, I lied. Oops. Sorry about that, I didn't mean to. As announced in Chicago, we are adding three new books to the Johnny DC line: Tiny Titans, Billy Batson and the Magic of Shazam, and Super Friends.

Tiny Titans is written and drawn by the amazing **Art Baltazar** and **Franco**. Tiny Titans is the highest rated kids' show in the DCU, and now it's coming to a comic book store near you.

Billy Batson and the Magic of Shazam is written and drawn by the astonishing **Mike Kunkel**. It's all about family and truly brings back the wonder of being a kid again.

I am so honored to be working with these fine gentlemen. I have been a fan of their work for years. It really is a dream come true for me.

Associate Editor **Rachel Gluckstern** takes the editing reins on Super Friends. Super Friends is inspired by the designs from the Mattel toy line and written by children's programming veteran **Shelly Fisch**. It has fun adventures that will inspire us all to try be a little more heroic.

Not to worry, Batman Strikes, Legion of Super-Heroes in the 31st Century, Looney Tunes, Scooby Doo and our Cartoon Network books will still be in your shop on a monthly basis. There will also be new Teen Titans GO! throughout the year too. We are so proud of all of these titles and we are very excited to have the chance to bring you some new original books.

Oh, and before I forget, I want to thank all of the DC Nation members who came to our panels this year. I had such a great time getting to meet so many of you. And thank you to the awesome people who brought me an alpaca. They are proudly displayed in my office.

Now on to my next challenge….the return of Ambush Bug.
